

Photo Retoucher Cover Letter

65375 Darrel HarborPort Wallace, OR 76773-5486

Dear Haven Lowe,

I submit this application to express my sincere interest in the photo retoucher position.

In my previous role, I was responsible for customers with courteous, friendly, fast, and efficient service in the photo area, including digital passport photo service and suggestive sell of promotional photo products.

My experience is an excellent fit for the list of requirements in this job:

- Understanding of print, digital and file specifications
- Proven, high level of competency with colour management, colour space and RGB to CMYK conversions
- Proficient with Adobe CC Suite (Photoshop, Bridge, InDesign, Illustrator) software
- Proficient in content management systems, and email programs
- Outstanding retouching sense combined with a high level of skill, speed, and accuracy
- Strong prioritization, interpersonal, problem-solving, and presentation skills
- Proficient with Adobe CC Suite (Photoshop, Bridge) software
- Advanced experience with Photoshop for Mac

I really appreciate you taking the time to review my application for the position of photo retoucher.

Sincerely,

Tyler Collier
