Dear Denver Jast,

I would like to submit my application for the photo stylist opening. Please accept this letter and the attached resume.

Previously, I was responsible for leadership, strategic direction and guidance to a team of 5-10 event professionals, with a focus on talent development and maintaining knowledge of current industry best practices.

Please consider my qualifications and experience:

- Collaborates with Studio Director, Photographers, Videographers and designers during pre-pro meetings
- Works seamlessly between multiple brands
- Constructively thinks rather than just executing tasks, needing little motivation
- Communicates with external stylists to keep the look cohesive through mood boards and by shipping surfaces/props
- Familiar with commercial lighting, equipment and general studio behavior
- Strong experience in prop, food and soft goods styling
- Knowledge of styling techniques and use of styling tools

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Azariah Rice
