Dear Casey Stamm,

I submit this application to express my sincere interest in the photo position.

Previously, I was responsible for knowledgeable collection access to assist executives when needing guidance, based on his/her solid knowledge of cinema history and the art and science of photography.

My experience is an excellent fit for the list of requirements in this job:

- Passion for movies and tv shows
- Previous experience in production/editing
- Aptitude for analyzing trends, critical thinking
- Eager to embrace our culture of candid feedback
- Equipment includes frequent lift/pull and adjustment, working with Lasers
- Open to Shifts after hours including weekends if necessary for Access
- May float to other Clinics
- Experience with production for digital platforms like web and devices, literacy in multimedia and related ethics, and/or experience with social media for business

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Quinn Lakin
