**Dear Frankie Steuber,**

I submit this application to express my sincere interest in the photo position.

Previously, I was responsible for technical support in the Wafer Fab area by troubleshooting, repairing, modifying, installing, and maintaining production equipment and by performing the following:.

Please consider my qualifications and experience:

- Advanced knowledge of Adobe Creative Suite, especially Bridge, Lightroom, Photoshop and Acrobat
- Experience adhering to a photo-budget
- Experience directing photo-shoots, preferred
- The Photo Editor, Creative Network plays a pivotal role in maintaining the flow of the constant stream of still and video assets produced by client's in-house photography team and external contributors
- The Photo Editor will work closely with the Creative Director, Photography, Manager of Corporate Identity and members of the Creative Network and Global Marketing team
- Knowledge of MerlinOne data archive
- Proficiency using Microsoft Office- Outlook, Word , Excel, Photoshop, Photo Mechanic, Bridge and Powerpoint
- Photoshop experience, intermediate

**Thank you for considering me to become a member of your team.**

Sincerely,

Haven D'Amore
