

Planner, Materials Cover Letter

180 Sammie Trafficway Gibsonport, ID 33097-2223

Dear Skyler Lueilwitz,

I submit this application to express my sincere interest in the planner, materials position.

Previously, I was responsible for technical guidance and consulting services to subsidiary parts departments on locally sourced inventory and logistics issues.

My experience is an excellent fit for the list of requirements in this job:

- Foundational understanding and working knowledge of ISO certification, and Quality Management and Configuration Management principles within a hardware production facility
- Minimum of 6 months experience supporting the scheduling/materials function in a manufacturing environment
- Additional post-secondary education
- Anticipate potential inventory issues like shortages and oversupply
- Exhibits & encourages a sense of urgency
- Highly energetic and success driven
- Inventory Optimization and Planning system(s)
- Data analytics and dashboarding for operational metrics

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Gray Rolfson
