

Planner, Materials Cover Letter

129 Beahan ShoreLake Tatiana, WY 06159

Dear Casey Mills,

I submit this application to express my sincere interest in the planner, materials position.

In my previous role, I was responsible for process ownership for delivering the network's inventory management strategies while reducing excess materials, expedited freight, and unnecessary interplant movements.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Sales order management
- Preferred SAP usage experience
- Knowledge about foreign trade
- Excellent English communication skill
- Excel and Power point skill
- Experience with purchasing, production planning, and forecasting and supplier management
- Experience managing projects and working in teams Experience with computer applications including Microsoft office
- Food & Beverage industry experience preferred

Thank you for your time and consideration.

Sincerely,

Briar Yundt
