

Planning Project Manager Cover Letter

2125 Mitchell RouteCeciliaside, AK 50075

Dear Campbell DuBuque,

Please consider me for the planning project manager opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for support to various workgroups including Operations, Economic Development, Distribution Planning, System Planning Organization, Regulatory Support, Jurisdictional organizations, etc.

My experience is an excellent fit for the list of requirements in this job:

- Cool and calm facilitator and communicator, who can gain the respect of the team, external stakeholders, and management
- Understands agile metrics, information radiators, and reporting techniques
- Trade Licenses preferred
- BICSI RCDD- Registered Communications Distribution Designer
- Lean Process Improvement certification preferred
- BICSI RCDD- Registered Communications Distribution Designer preferred
- Prefer experience in the electric or gas utility
- Familiarity with EE and/or DR programs, emerging policies and/or product solutions

Thank you for your time and consideration.

Sincerely,

Rowan Maggio
