

# Product Expert Cover Letter

3068 Wolff HillsNorth Delphine, RI 78909-0552

**Dear Sutton Maggio,**

I am excited to be applying for the position of product expert. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for high-level design for the implementation of new Windows OS version based on private cloud and public cloud infrastructure.

Please consider my qualifications and experience:

- Leading/Managing change - Designing and implementing change projects to improve business performance
- Leverage our know-how and capabilities and engage with external market partners and experts
- Leads a cross-functional project team and delivers a compelling business case for the implementation of the Centre of Expertise
- Provides regular status updates and clear recommendations to the China Executive team and the strategy steering board for China
- Engages and leverages actively local and regional sales and underwriting staff to maximize the relevance of the case from a local market and execution standpoint
- Proficiency in MS Office inc. MS Project
- Able to support new product introductions by supporting the marketing teams in developing impactful marketing content and launch plans
- Keysight channel awareness and associated available marketing vehicles

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Dakota Oberbrunner
