

# Product / Marketing Intern Cover Letter

51787 Senger CausewayHueltown, TN 09752-5139

**Dear Azariah Gulgowski,**

In response to your job posting for product / marketing intern, I am including this letter and my resume for your review.

In my previous role, I was responsible for powerPoint support in creating multiple presentations to IMC (Integrated Marketing & Communications) executives.

Please consider my qualifications and experience:

- Undergraduate senior
- Marketing Major or Business Major
- A team player with an open mind and willingness to speak their point of view
- Passion for technology and how it shapes the world in which we live and work
- Self-starter who is able to probe with the right questions to support the timely and effective completion of their assignments & able to pivot quickly in an ever-evolving business environment
- Excellent skills in writing, slide creation/visualization of ideas, and presenting to a large audience
- Innovative, out of box thinking and problem solver
- Skilled in Microsoft Excel, Word and especially PowerPoint

**I really appreciate you taking the time to review my application for the position of product / marketing intern.**

Sincerely,

Brooklyn Smitham
