

Product Photographer Cover Letter

26263 Bergstrom Ferry East Lydia, LA 26456-6356

Dear Max Dare,

In response to your job posting for product photographer, I am including this letter and my resume for your review.

Previously, I was responsible for necessary guidance to the VS teams related to team composition, flow of requirements, and continuous improvement efforts.

My experience is an excellent fit for the list of requirements in this job:

- Working knowledge of studio lighting and various light modifiers
- Deep knowledge of what makes content shareable
- Interest in helping people purchase the best products and make the most of the stuff they own
- A willingness to change and evolve with the ever changing digital landscape
- A strong photography portfolio that demonstrates sufficient knowledge of lighting
- High technical proficiency in Photoshop, Capture One, Sony Cameras and Mac computers
- Proactive and able to take initiative.
- Intermediate Microsoft Office proficiency (Word, Excel, and PowerPoint)

Thank you for considering me to become a member of your team.

Sincerely,

Frankie Mills
