

Production Technician Cover Letter

3309 Hai Meadow
Indiabury, GA 47230

Dear Shiloh Reichel,

I would like to submit my application for the production technician opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for support for Capital Equipment Manufacturing, Repair Operations, Manufacturing Engineering and any other internal customers as required.

Please consider my qualifications and experience:

- CO2 removal systems
- Waste heat recovery, fired heaters, furnaces or flare systems
- Gas compressors (centrifugal, reciprocating or multi-stage)
- Splitters, separators
- Power generation, turbo alternators
- Plant utilities (demin water, Nitrogen, plant air, instrument air, effluent treatment)
- Marine activities (Mooring and Berthing)
- LNG storage and transfer systems (Loading)

I really appreciate you taking the time to review my application for the position of production technician.

Sincerely,

Max Homenick
