**Dear Tatum Hane,**

I would like to submit my application for the program management director opening. Please accept this letter and the attached resume.

Previously, I was responsible for weekly communication forum for the exchange of ideas and information for projects including project status, resolving project issues, problems, and changes.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Large, complex system development and integration experience
- Strong Proficiency with Casualty Coverage
- Experience leading development teams using Microsoft technologies (.NET, C++, C#, SQL, Windows, ), agile development practices, and cloud deployment experience is preferred
- MBA strongly preferred Experience in Med Tech industries developing electromechanical / software systems is preferred
- Possess a professional demeanor, business maturity, and project management knowledge
- Requires strong business analysis skills
- Major consulting firm experience
- Demonstrated extensive international business acumen and a solid familiarity with the production of missiles

**I really appreciate you taking the time to review my application for the position of program management director.**

Sincerely,

Alexis Jerde
