

Program Security Cover Letter

10574 Beatrice Plains South Merlinmouth, DE 46526-2899

Dear Bellamy Crooks,

Please consider me for the program security opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for security awareness training programs related to the physical security system integration to personnel to expand their knowledge.

Please consider my qualifications and experience:

- Identifies best practices and crafts solutions to broader issues
- First point of escalation for assigned project staff with respect to managing issues and risks
- Builds a logical approach to address problems or opportunities or manage the situation at hand
- Draws on own knowledge and experience base and calling on other references and resources as necessary to solve problems
- Integrates information from diverse sources, often involving large amounts of information, research and discussion
- Significant experience in presenting to and leading executive steering committees
- Working knowledge of facility accreditation, inspections and document submission requirements
- Working knowledge of the development and Execution of Security Test plans

Thank you for considering me to become a member of your team.

Sincerely,

Oakley VonRueden
