

Program Security Cover Letter

66172 Schiller Shore Emeraldshire, ND 62234

Dear Avery Kohler,

I submit this application to express my sincere interest in the program security position.

In the previous role, I was responsible for guidance and interpretation about security standards, practices and programs to support Executive and Special Events Security on a global level.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Hirsch system experience
- Defense Security System training
- F-18 AWL mission understanding and experience
- Strong program management experience, including budgeting/financial management tools
- Experience with developing tools for monitoring and evaluation and analyzing information received from field activities
- Excellent conceptualization, research abilities, analytical skills, performance management and focus on results
- Excellent oral and writing abilities in English
- Advanced use of MS Office package, particularly Excel

Thank you for considering me to become a member of your team.

Sincerely,

Dakota Reichel
