

Program Security Cover Letter

3304 Gerlach PlazaNorth Sung, AR 78971

Dear Quinn Breitenberg,

I am excited to be applying for the position of program security. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for security oversight, including the implementation of all applicable system security programs, plans, and requirements through the construction and operating phases of the project.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Knowledge of citizen security and justice issues, preferred
- Budget Tracking- (Actual vs Planned)
- Project Coordination/ Presentations
- Exposure to industrial control systems environments
- Positive, Collaborative individual who works well independently in a group setting
- Service Oriented- Collaborating well with others
- Experience with managing cross team technology initiatives
- Expertise in problem solving and process engineering capable of "rolling-up sleeves and getting hands dirty"

Thank you for taking your time to review my application.

Sincerely,

Onyx Corkery
