

Project Director, Project Management Cover Letter

97312 Hirthe SpurToytown, AK 61496

Dear Oakley Will,

I would like to submit my application for the project director, project management opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for consultation on implementation of project management practices based on client maturity, preferences, and highest value project management functions for the specific client.

Please consider my qualifications and experience:

- Able to influence SVPs
- Take complex business problems and create structured programmes that deliver real benefit to Consumer Health
- Lead and influence the project management group through continuous improvement
- Be able to manage a programme or portfolio of projects with multiple project managers/business leads
- Be part of the GPM leadership team to champion our purpose and values
- Project experience should include the design, planning, governance, phasing and implementation of a projects tools and techniques for issues and risk management, decision making and reporting
- Significant experience of working in a large project or transformation office
- Project experience should ideally include the design, planning, governance, phasing and implementation of a projects tools and techniques for issues and risk management, decision making and reporting

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Skyler Corwin
