

Project Management Director Cover Letter

707 Rau HollowNorth Pat, SC 29152

Dear Justice Bernhard,

Please consider me for the project management director opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for excellent project management expertise and skill and will be responsible for supporting the execution of MDC driven initiatives primarily in the clinical support and regulatory areas.

My experience is an excellent fit for the list of requirements in this job:

- Deep understanding of advertising trends and environments
- Strong experience on large cross-channel and/or direct-marketing initiatives across media, both online and off, and a mastery of web production and the capabilities within digital channels
- Comfortable interfacing with senior stakeholders and dealing with confrontation
- Experience in project management for a full range of commercial tactics, both offline and online
- Recognizes the simultaneous need for rigorous adherence to process and the flexibility to adapt to changes along the way
- Prefer background in in major consulting firm and/or complex corporate environments
- Restaurant, hotel or retail experience preferred
- Demonstrated exceptional project planning & management skills

Thank you for your time and consideration.

Sincerely,

Reese Kilback
