

Project Manager / Business Analyst Cover Letter

9229 Stewart ForgeRunolfsson, NV 54047-7985

Dear Shae Greenfelder,

I submit this application to express my sincere interest in the project manager / business analyst position.

In my previous role, I was responsible for critical analysis and evaluation of health IT and recommends revision of pharmacy systems, processes, and workflow to ensure achievement of positive patient outcomes.

Please consider my qualifications and experience:

- High school diploma or GED in addition to some secondary education or continued learning / training
- Able to speak knowledgably about complex development concepts and software technologies
- Familiarity with C#, SQL and JavaScript for software development
- Naturally curious, enjoys digging deep to uncover information
- Customer-centric approach to finding solutions
- Able to learn new concepts and adapt quickly to an existing, complex environment
- BA in Computer Science or related industry
- Strong and natural Leader

I really appreciate you taking the time to review my application for the position of project manager / business analyst.

Sincerely,

Riley Reynolds
