

Project Manager Service Cover Letter

394 Devon SummitEstellhaven, ID 38336

Dear Gray Bartoletti,

In response to your job posting for project manager service, I am including this letter and my resume for your review.

Previously, I was responsible for guidance in Agile, Scrum, and leads Agile delivery teams consisting of a mix of client and contractor staff.

Please consider my qualifications and experience:

- Fluent in Spanish and Catalán and medium level of English
- Communication Knowledge
- Customer oriented and able to work under big pressure
- Able to work in group and alone
- Good knowledge transfer from the procurement team, as to the negotiation of the services to be delivered, was the scope or scale changed? Was anything left out? Was there anything extra offered?
- Experience and understanding of DCS (Distributed Control Systems), LV and/or MV Drives, applied industrial systems, such as mine hoists, boiler control and/or power plant control systems would be an asset
- Solid experience, preferably in the fields of M&E or BMS project management
- Experience in the retail construction sector and ideally in the Supermarket sector

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

River Turcotte
