

# Project Manager Cover Letter

30882 Raleigh Tunnel Lamontmouth, WI 49832

**Dear Greer Mraz,**

Please consider me for the project manager opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for owner's Project Manager and Design Manager/Coordinating Professional leadership, for a variety of potential project delivery methods (Design-Bid-Build, Design-Build, P3, Construction Managed, etc.);.

My experience is an excellent fit for the list of requirements in this job:

- Pension administration experience
- Experience with government, state/local administration CPA
- Experience working within a public sector environment
- Broad relevant project management experience
- Proficient in MS Office suite including Project, Visio, Powerpoint, Excel
- College / University and/or equivalent work experience in the banking industry
- Involved in strategic designing and planning discussions for the future architecture with the business stakeholders and development teams
- Understanding the as-is architecture of the involved applications and environment

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Cameron Kirlin
