Dear Tyler Witting,

I submit this application to express my sincere interest in the psych nurse position.

Previously, I was responsible for safe therapeutic use of restraints/crisis intervention, assisting patients in keeping environment clean and orderly when needed.

Please consider my qualifications and experience:

- Current American Heart Association Advance Life Support (ACLS) certification or
- Registration as a nurse in the State of Colorado
- Experience with Neurologic and/or Non-Epileptic Seizures
- Graduate of an accredited college/university Nurse Practitioner program with current license/certification in the state of Kansas
- Excellent interpersonal skills and able to demonstrate positive behaviors
- Special patient care equipment, to include Safe Patient Handling equipment, as specified by the assigned nursing unit
- Telephone, paging, and fax and other communication technologies
- Clinical and administrative information systems

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Corey Kirlin
