

# Public Health Analyst Cover Letter

585 Carrol Coves West Carloburgh, AL 13308

**Dear Reese Schneider,**

I submit this application to express my sincere interest in the public health analyst position.

In my previous role, I was responsible for subject matter and/or methodologic expertise in one or more behavioral health areas such as intentional injury, unintentional injury, violence prevention, suicide prevention, substance misuse, prescription drug misuse, and interpersonal violence, behavioral health communications, research design, quantitative analysis, qualitative analysis, mixed-methods and related fields.

Please consider my experience and qualifications for this position:

- Mental health and/or substance abuse services research experience
- Track record of obtaining external funding
- Track record of research publications in peer-reviewed journals
- Strong experience in quantitative and/or qualitative analysis
- Contract research experience
- Experience in opioids research or mental health services research
- Proficiency with data analysis programs (SAS, STATA, SPSS, R) is essential
- Some familiarity with publishing and working on proposals is preferred

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Corey Hill
