

# Public Health Nurse Cover Letter

81588 Stoltenberg PointsPort Nohemiland, MI 44665-0512

**Dear Brooklyn Spencer,**

Please consider me for the public health nurse opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for care management and coordination across the primary care team for aging, chronically ill, those with increasingly complex health needs; strategically providing care with team members functioning at the top of their license/responsibilities. .

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience as a school nurse or in a related field
- Experience with community-based nursing
- Experience working as a public health nurse with MCH populations
- Experience coordinating and facilitating meetings and conducting webinars, including training others
- Experience working with data systems
- Experience in policy development and program implementation on the county or state level
- Experience in consensus-building, collaboration-building, and strategic planning
- Experience working in a team environment that supports collaboration

**I really appreciate you taking the time to review my application for the position of public health nurse.**

Sincerely,

Ari Green
