

Public Health Nurse Cover Letter

4690 Haag CommonKacyborough, CO 71064-6020

Dear Dallas Rowe,

In response to your job posting for public health nurse, I am including this letter and my resume for your review.

In the previous role, I was responsible for comprehensive case management and care coordination for a panel of frail elderly patients.

Please consider my qualifications and experience:

- Have basic knowledge of project management concepts, techniques and automation tools, resource interpretation and forecasting
- Knowledge of public health nursing and public health principles/practice including epidemiology, surveillance, disease prevention, health promotion, health and community assessment, and community collaboration
- Knowledge of local, state, and federal laws and ordinances pertaining to tuberculosis and other public health concerns
- Knowledge of CDC's TB treatment protocols and guidelines including DOT, targeted screening for TBI, and contact investigation
- Knowledge of the natural history and epidemiology of TB
- Knowledge of infection control practices and procedures
- Knowledge of medical terminology and medical records
- Knowledge of QA principles, evaluation methods, and data analysis

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Sutton Brown
