

QA Intern Cover Letter

961 Jenkins FlatsSouth Peg, TN 36344-9221

Dear Sutton Olson,

Please consider me for the QA intern opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for feedback on the usability of the content creation workflows and graphics pipeline of new features.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Acquiring an understanding of various quality and testing methodologies
- Working with an Agile-driven team utilizing various tools and processes
- Focusing one's action and decisions on timely and accurate responses to customers
- Builds credibility by regularly demonstrating expertise and professionalism
- Prevents issues/problems from recurring once they have been identified
- Manages when deadlines cannot be met
- Intern will need to be familiar with games on mobile devices, PC/Steam and home consoles
- Experience with Cloud based technologies such as AWS, Elasticsearch

I really appreciate you taking the time to review my application for the position of QA intern.

Sincerely,

Bellamy Kunze
