

QA Intern Cover Letter

844 Ronnie DaleHeaneystad, AL 99592

Dear Shiloh Lang,

Please consider me for the QA intern opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for regular technical support including resolving hardware issues, software issues, debugging in the lab and communicating directly with customer.

Please consider my experience and qualifications for this position:

- Experience in manual testing for mobile or web-based technologies
- Proficiency in Genesis database
- Knowledge of FDA food labeling guidelines
- Knowledge of food allergens
- Aptitude for learning how to use unfamiliar tools preferred
- An understanding of web-delivered applications with multiple web browsers (Internet Explorer, Firefox, Safari, Chrome)
- Work closely with Product Managers and Developers to refine business requirements with demands for quality and great end user experience
- Troubleshoot and isolate issues, report bugs and work with developers to confirm these have been fixed

Thank you for considering me to become a member of your team.

Sincerely,

Ryan Hettinger
