

QA / QC Engineer Cover Letter

5500 Carmine Ford South Groverville, MN 43956-1723

Dear Frankie Bauch,

Please consider me for the QA / QC engineer opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for continued engineering support to the execution organizations (Projects and Maintenance) during detailed engineering, procurement, and construction phases of projects.

Please consider my qualifications and experience:

- Local Experience in similar projects as a Material / Pavement Engineer or a QAQC expert
- Experience in multidisciplinary and multinational projects in country will be consider an asset
- Acts as an advisor/coach to mentor other team members
- Provides quality specific training and guidance to the organization
- Advanced knowledge of ISO9001 standards
- Able to interface with both clients and other stakeholders at all levels
- Certification as a Quality Auditor will be an advantage
- CQA or IQA certification

Thank you for your time and consideration.

Sincerely,

Lennox Kuphal
