

QC Associate Cover Letter

696 Linwood LoopBartellberg, OK 58213

Dear Morgan Ferry,

In response to your job posting for QC associate, I am including this letter and my resume for your review.

In the previous role, I was responsible for general supervision for cGMP suite cleaning and waste removal, stocking of consumables, and movement of raw materials and solutions within the cGMP suites.

Please consider my qualifications and experience:

- Laboratory equipment qualification (advantage)
- Knowledge of cGLP & cGMP (advantage)
- Chemical testings for intermediates/products/raw materials and utilities
- Chemical testings to support manufacturing processes/process validations
- Experience in a related biopharmaceutical GLP or GMP lab environment
- Test and analyze samples by running an ELISA, RIA or Multiplex immunoassay
- Document results of test samples that include calculating the data and submitting final reports in EXCEL
- Utilize technical knowledge and review of quality control data

Thank you for considering me to become a member of your team.

Sincerely,

Riley Hoppe
