

QC Associate Cover Letter

8089 Heller TunnelMullertown, ND 27174

Dear Sam Greenfelder,

I would like to submit my application for the QC associate opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for direct supervision of QC analysts performing routine GMP testing of potency, bioassay, ELISA and other related methods.

My experience is an excellent fit for the list of requirements in this job:

- Highly detail oriented with strong general laboratory skills and good organizational skills
- Third level qualification in a science discipline, preferably BSc in a chemistry subject
- Specialist knowledge of pharmaceutical operations within the regulated industry
- Excellent knowledge of laboratory practices and cGMP applicable to a pharmaceutical environment
- Logical and problem solving skills
- Analytical testing - ELISA, PCR, flow cytometry
- CGMP or GLP experience
- Provided successful resolution of lab problems, deviation investigations, and process improvements

Thank you for taking your time to review my application.

Sincerely,

Drew Pfeffer
