

QC Associate Cover Letter

7726 Mayert Estate Ricefort, IL 06256

Dear Skyler Kozey,

I would like to submit my application for the QC associate opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for input and assistance in executing training for cleanroom personnel cGMP, best practices and awareness training related to working in a cleanroom environment.

Please consider my qualifications and experience:

- May participate in OpEx projects
- Initiate and participates in laboratory investigations (OOS/deviations/atypical results/invalid results) and assist in timely closure of lab investigations and CAPA
- Performs equipment calibration, maintenance and validation
- Participate in method transfer/verification/validation
- Experience in ELN development and validation will be highly regarded
- Practical experience with one of ELISA, Electrophoresis, Protein chemistry and Coagulation will be essential
- An understanding of either EP/BP/USP/ICH guidelines
- Experience working in a GxP environments (GLP, GCP, GMP)

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Cameron Kirlin
