Dear River Kshlerin,

I submit this application to express my sincere interest in the quality project manager position.

In the previous role, I was responsible for technical direction and guidance to others regarding processes, tools and technology related to quality including ISO, CMMI and PMP.

Please consider my qualifications and experience:

- Manage, directly or indirectly, a team consisting of Configuration Management, Software Quality Assurance and QHSE Engineering
- Deliver regular status reporting to senior management, project management and the customer railroads
- Experience in Project Quality work, and Quality Assurance Plan activities
- Navigation with ease within a multi-cultural environment
- Experience from leading trainings/ coaching others to learn
- Knowledge and experience in problem solving
- Knowledge and experience in Automotive Operations
- Structured and coaching mindset

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Shiloh Botsford
