

Quality Project Manager Cover Letter

10434 Evelyn SpursHuelsview, KS 61123-4248

Dear Robin Hansen,

Please consider me for the quality project manager opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for leadership for developing and directing Quality Assurance and Quality improvement initiatives for all products and processes.

My experience is an excellent fit for the list of requirements in this job:

- ITSQB Quality and Test Manager or similar
- Good knowledge of databases, middleware, web services and related standards
- Experience with IT Governance
- Team player and able to create and work in a collaborative environment
- Act as a trusted advisor for the customer by having a holistic view of the different alternatives that would provide a solution to the customer/s
- Fluent written and spoken English (additionally, German would be highly valuable)
- Stakeholder influencing and technology governance
- HP ALM and other Test management tools

Thank you for considering me to become a member of your team.

Sincerely,

Morgan Ankunding
