

# Quantitative Developer Cover Letter

997 Claudio StravenueRatkebury, TX 35770-7051

**Dear Indigo Armstrong,**

Please consider me for the quantitative developer opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for on-going technical support to capital model and methodology stakeholders such as model users, reviewers or regulators.

Please consider my experience and qualifications for this position:

- Experience working with market Data Feeds (Bloomberg or Morningstar)
- Professional experience with Python
- Professional experience with web technolog
- Professional experience of relevant database technologies g
- Sensitivity to the complexity of creating software and data systems
- Strong interpersonal skills and a willingness to regularly communicate with traders, fund managers and senior business people alike
- Thorough knowledge of IR flow products, with emphasis on G4 ccys
- MSc in a numerate subject or equivalent

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Briar Kessler
