

Radiologic Tech Cover Letter

94518 Rau Summit Dickiview, ND 58501-6149

Dear Charlie Hammes,

Please consider me for the radiologic tech opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for radiation protection to patient, staff and self.

Please consider my experience and qualifications for this position:

- Analytical skills in order to evaluate and perform mammography and radiographic procedures
- If accredited Radiology program is abandoned, radiographer responsibilities will be terminated
- Current licensure as a Radiologic Technologist in Kansas
- Graduate of an accredited program for X-Ray technicians
- Medical Assistant Certification/License in accordance to state requirements and applicable regulations of jurisdiction
- Familiar with routine medical procedures operation and control of equipment effective speaking to convey information equipment operation monitoring reading comprehension active listening social perceptiveness monitoring technology design abilities to generate or adapt equipment and technology to serve user needs written comprehension Information ordering Speech clarity Service orientation
- Minimum experience (if applicable)
- The work involves considerable physical exertion such as frequent lifting of patients and equipment, bending and stooping, and walking

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Riley Macejkovic
