Dear Landry Jerde,

I submit this application to express my sincere interest in the record position.

Previously, I was responsible for leadership to all work stream leads within the GL function responsible for a wide range of operational / transactional accounting, technical accounting and controllership responsibilities, treasury accounting and provision of banking services.

My experience is an excellent fit for the list of requirements in this job:

- Knowledge of state and federal rules and regulations related to the disclosure of protected health information (PHI) preferred
- Experience working with Epic clinical applications preferred
- Use of scanners, databases
- Strong knowledge of ICD10-CM, CPT, and coding guidelines
- Comply with all company policies, SOP's, current Good Manufacturing Practices and other relevant regulatory requirements
- Strong batch record review experience
- An understanding of Inbound Processes and Supply Chain Management
- Experience working with physicians

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Finley Becker
