

Recovery Analyst Cover Letter

972 Levi CurveRaynorchester, IN 88631-3816

Dear Finley O'Keefe,

Please consider me for the recovery analyst opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for first tier escalation services and manage moderately complex remittance issues with VA hospitals, State Agencies and Medicaid Subrogation providers, plus pharmacy chains and independents.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience writing reports, business correspondence and technical documents
- Experience with various databases (Sybase, MS SQL, Oracle) is preferred
- Work remotely to a business support team/group environment
- Technology aptitude and understanding of Avaya Dialer call center technologies
- Intermediate Accounting Background
- Previous experience in Technology Operations, architecture or application support preferred
- Proficient knowledge in emergency response and operations crisis communications
- Experience with Personnel Recovery Mission Software and Isolated Personnel Reporting (ISOPREP)

Thank you for your time and consideration.

Sincerely,

Briar Rogahn
