

Referral Cover Letter

64743 Rath BrooksDennismouth, WI 65869

Dear Avery Roob,

I am excited to be applying for the position of referral. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for first level assistance and support for incoming calls and issues for all IT products and services.

My experience is an excellent fit for the list of requirements in this job:

- Dental Insurance coding and terminology
- Knowledge of insurance, managed care and discharge planning in home health preferred
- Proficient with medical terminology and insurance coding
- Proficient with accessing insurance, authorizations and workques within EPIC
- College coursework in the secretarial or medical sciences preferred
- Knowledge of CPT and ICD-9 and ICD-10 coding
- Experience working with health care delivery system including admission and discharge process
- Referral experience preferred

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Tatum Anderson
