

# Registered Nurse Manager Cover Letter

901 Goyette Walk  
Treutelschire, OK 98054

**Dear River Gulgowski,**

I submit this application to express my sincere interest in the registered nurse manager position.

In my previous role, I was responsible for psychiatric nursing and use the nursing process.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Participating in facility safety and ergonomic programs
- Developing and coordinating health education programs for Team Members
- Ensure compliance with regulatory and accreditation requirements for self and within unit
- Conduct hiring, training, directing, development and evaluating of staff
- Identify and resolve issues affecting the delivery of patient care services for the assigned unit(s)
- Monitor and adhere to budget
- Will be able to perform at an acceptable level within 90 days
- Six months experience and demonstrated successes in the field of Health Care Risk Management in a hospital setting

**Thank you for your time and consideration.**

Sincerely,

Max Gorczany
