Dear Campbell Mohr,

I submit this application to express my sincere interest in the rehab position.

In my previous role, I was responsible for consultation and education including, but not limited to: informational presentations regarding acute rehabilitation program and related topics; serving as a clinical resource and educator for physicians, facility staff, patients, families and community on rehabilitation care.

Please consider my qualifications and experience:

- Knowledge of basic medical terminology, first aide, safety and therapy equipment
- Consistently demonstrate competence in preparing equipment such as hydrotherapy tanks, paraffin bath and hot packs
- Greets patients and families using the Rehab Kit to explain the next steps after evaluation
- Assists Occupational, Physical and Speech Therapists with patient care activities/events with direct supervision as needed
- Will assist, as directed, in the negotiation of managed care rates to facilitate patient placement
- Directs the provision of all rehabilitative clinical services to maximize program efficiency and client satisfaction
- Provides empirically based psychological interventions to the person receiving services and his/her family as appropriate for their specific needs in-order-to maximize and encourage their participation with the community at large
- Performs brief neurobehavioral assessments at various stages in the rehabilitation process as appropriate

Thank you for your time and consideration.

Sincerely,
