

Reporting Services Analyst Cover Letter

807 Zboncak MillsBatzshire, IL 95689-4093

Dear Cameron Abshire,

I am excited to be applying for the position of reporting services analyst. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for expert consulting in SAP ERP Systems to the client and senior IT leadership to identify and satisfy the business needs.

My experience is an excellent fit for the list of requirements in this job:

- Previous reporting experience in industry helpful
- High volume, call center experience with direct client interaction and technical support skills
- Strong technical skills with experience with internet applications
- Understand basic project management methodology
- Knowledge of Lender Placed Insurance requirements
- Good knowledge of accounting principles and conventions and will either be newly qualified or in the final stages of an accounting qualification
- Aptitude for learning and understanding market analysis and business concepts
- Experience working with HR/organizational people data

I really appreciate you taking the time to review my application for the position of reporting services analyst.

Sincerely,

Campbell Mosciski
