

Research Assistant / Associate Cover Letter

97095 Lee SpurNorth Valentine, MO 31014

Dear Oakley Hackett,

I would like to submit my application for the research assistant / associate opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for technical support on the design and implementation of meta data model, data management, curation and integration solutions for proteomics, metabolomics, genomics and other datasets in conjunction with R&D and external partners.

Please consider my qualifications and experience:

- Coordinate and prepare report submissions to IPEDS, New York State, and NCAA
- Respond to internal and external requests for information, including support for assessment, grants and accreditation
- Disseminate findings in narrative, tabular and graphical form including key visualizations
- Providing research support and advice to other offices across campus
- Work collaboratively with departments across campus
- Demonstrated experience in working with relational databases and other applications
- Knowledge of web page design
- Knowledge of multivariate statistics and statistical modeling, incl

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Tyler Ledner
