

Research Assistant / Associate Cover Letter

1017 Dicki CapeKareenmouth, ME 43386-0816

Dear Ari Braun,

Please consider me for the research assistant / associate opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for administrative support to the Director of Research and the School Research Committee, setting the agenda, preparing papers, servicing meetings and following up on action points.

My experience is an excellent fit for the list of requirements in this job:

- Knowledge of SQL, Colleague, and BI tools such as CROA preferred
- Proficiency with Excel, Microsoft Access, PowerPoint
- A PhD in theoretical condensed matter physics
- The research assistant/associate should have expertise in the fields relevant to this project (Civil Engineering, Social Sciences)
- The research assistant/associate should have expertise in mesh-free modelling techniques
- Solid understanding of biochemical assays for enzymatic activity, experience with protein expression and laboratory reagent preparation
- Good record-keeping and organizational skills with exceptional attention to detail
- Experience in protein mutagenesis and enzyme activity engineering is desirable

Thank you for taking your time to review my application.

Sincerely,

Morgan Flatley
