

Research Assistant / Associate Cover Letter

36509 Jetta Village Lake Delia, PA 18444

Dear Tatum Rolfson,

I submit this application to express my sincere interest in the research assistant / associate position.

In the previous role, I was responsible for guidance and assistance to the Knowledge Exchange team in the development of publication-ready thought leadership projects on subjects related to agriculture, power markets, and rural communications.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience with liquid handling devices
- Experience in small-scale fermentations is desirable
- Successful experience in working with diverse user communities
- Knowledge of the libraries role in supporting the research lifecycle
- Knowledge of technology platforms in library or academic environments
- Demonstrated success in creating and leading projects
- Appreciation for the University's Catholic and Marianist mission and identity
- Familiarity with archaeology and cultural resource management in the Pacific Northwest

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Emerson O'Kon
