

# Research Assistant / Associate Cover Letter

13107 Mary Courts West Hopefort, NE 02510

**Dear Onyx Champlin,**

I would like to submit my application for the research assistant / associate opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for supervision for contract personnel during the preparation of experimental subjects and aid in the training and the development of experimental subjects for experimental procedures in accordance with approved animal or human use protocols.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience with CRM policies of state and federal agencies
- Experience with GIS information management in ArcMap
- Strong quantitative and qualitative skills and experience using common research methods
- In addition to the primary focus on labor policy research, analysis and writing, additional areas of expertise related to labor are of interest
- History of substantive involvement with labor/community initiatives and coalitions
- Experience leading or working as part of a research team on grant or contract-funded projects
- Experience in the field of Research
- Experience with standardized assessments

**Thank you for taking your time to review my application.**

Sincerely,

Tyler Wintheiser
