

Research Assoc Cover Letter

9539 Bayer PrairieCarolyntown, AR 27139-6945

Dear Dakota Treutel,

I am excited to be applying for the position of research assoc. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for programming for both development and troubleshooting of the following types of systems in a manufacturing environment: PLC (Rockwell/Allen-Bradley); HMI/SCADA (Wonderware, Rockwell Software, Microsoft .NET); Vision (Keyence, Cognex).

Please consider my experience and qualifications for this position:

- Aiding in coordinating projects on schedule
- Maintaining clear laboratory notebooks, performing quantitative analyses, and communicating findings through reports and summaries
- Providing detailed documentation so experiments can be replicated
- Following laboratory best practices for safety and quality
- Experience with qualitative data collection methods and VOXCO interviewing software
- Proficient user of computer software
- Flexibility to work evening hours or weekends on occasion
- Biorepository experience

Thank you for considering me to become a member of your team.

Sincerely,

Dallas Jakubowski
