

# Research Assoc Cover Letter

48981 Towne OvalLake Adela, SC 73997

**Dear Haven Lebsack,**

Please consider me for the research assoc opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for support to Methods Core/psychiatry investigators including maintaining repositories, updating analysis software, addressing bugs, answering users' analysis questions.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Previous laboratory experience with basic cell and molecular biology techniques, including cell culture, recombinant DNA, PCR, western blotting
- BA/BS in Biology, Chemistry or health science related field
- Freezing and thawing of specimens
- Experience with sterile techniques, tissue culture and molecular biology techniques
- Expanding of cell culture
- Mycoplasma testing and treatments
- Experience with DNA/RNA isolation, quantification, and genotyping from body fluids, tissues, and cell lines
- Experience cutting and mounting tissue sections and staining

**Thank you for taking your time to review my application.**

Sincerely,

Justice Hudson
