

# Research Financial Analyst Cover Letter

84797 Douglass PortsEast Daryl, NJ 11333-5603

**Dear Campbell Kiehn,**

I am excited to be applying for the position of research financial analyst. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for support with Corporate Accounting's external reporting requirements by assisting in the completion of corporate information packages and preparation of applicable footnote disclosures.

Please consider my qualifications and experience:

- Statistical reporting and analysis experience, particularly in PC environment
- Experience and advanced knowledge of Microsoft Excel and PowerPoint
- Strong technical and analytical skills using both quantitative and qualitative data
- Proficiency in data extraction, manipulation, analytical reasoning, data validation, data visualization and summarizing information for presentation in a timely manner
- Strategic thinking while being detailed-oriented in a fast-paced environment
- Review awards to determine if salary cap is applicable
- Instruct departments on salary cap calculation
- Review salary cap calculation for accuracy

**Thank you for your time and consideration.**

Sincerely,

Charlie Weber
