

Research Manager Cover Letter

609 Alden LockMorissetteburgh, LA 89668-5766

Dear Royal Kozey,

I am excited to be applying for the position of research manager. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for high level input to clinical trial protocol design and clinical study reports as well as Health Authority inquiries.

My experience is an excellent fit for the list of requirements in this job:

- Experience in professional development of supervisees
- Experience preparing complex analysis of trends and metrics to assist in unit decisions
- Experience advising Project Directors on financial management issues, and when appropriate resolve complex problems with Project Directors, internal offices and sponsors
- Experience using research and financial management tools
- Experience using media planning, buying or research systems, and understanding of basic television and digital media research methodology and statistics
- Strong technical proficiency with Microsoft PowerPoint, Excel and Word
- Strong interest in TV research, audience targeting, or digital research
- Strong experience with word processing, spreadsheet and database applications

Thank you for your time and consideration.

Sincerely,

Morgan Rosenbaum
