

# **Risk & Audit Manager Cover Letter**

7702 Stokes LocksNorth Whitneyborough, NC 92980

**Dear Quinn Batz,**

I submit this application to express my sincere interest in the risk & audit manager position.

Previously, I was responsible for oversight and direction to Risk Adjustment analysts in the timely analysis of risk adjustment outcomes and opportunities.

Please consider my qualifications and experience:

- May support audits for a particular business, function or project as a subject matter expertise
- Highly specialized expert with in-depth knowledge to manage audits for multiple, significant complex businesses, functional areas and/or global business lines
- Direct, oversee, plan and execute efficient and effective audits to ensure appropriate coverage for areas of expertise
- May lead and executive audits and have overall responsibility for the completion of the audit
- Evaluate internal and external risks for assigned business lines
- Communicate recommendations and process improvements to management in area(s) of expertise
- Monitor business line projects
- May contribute to, and/or review, area(s) of expertise in the final audit report following CAE review and approval

**Thank you for taking your time to review my application.**

Sincerely,

Indigo Kohler
