

Risk & Audit Manager Cover Letter

773 Feeney Drive Rickeystad, NH 08212-3029

Dear Jordan King,

I would like to submit my application for the risk & audit manager opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for value Added Education: Proactive regulatory discussions in relation to On-Boarding (FINRA 2111, FINRA 4210, deemed ISDA etc).

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Knowledge of risk assessment methodologies and general understanding of enterprise risk management
- Openness to receiving and providing constructive feedback and focused on continuous improvement through incorporating feedback provided into measurable action
- Agile and participative teammate within a dynamic team environment
- Hands on experience with operational risk reviews, conducting risk assessments and compliance audits to deliver against the job responsibilities noted above
- Professional certification is desirable (Eg
- Experience and practical knowledge of risks relevant to Software and Cloud Service Provider Industry
- Manage and conduct credit risk reviews of the various corporate portfolios in the bank, in accordance with Group Audit's standards
- An entrepreneurial attitude to innovate, develop and grow our internal audit practice

Thank you for considering me to become a member of your team.

Sincerely,
